

3. Drop off a package using Express only drop boxes or FedEx Office (formerly FedEx). You can find drop off locations nearest you by going to www.fedex.com and selecting Find Locations (http://www.fedex.com/Dropoff/start?locale=en_US) under the Ship Tab

FedEx Express and FedEx Ground operate independently. FedEx Express couriers pick up and deliver only Express packages. FedEx Ground drivers pick up and deliver only Ground packages.

Managing Your Shipments

You can track your packages online at www.fedex.com by selecting the Track tab to the right of the SHIP tab. You can track by Tracking Number or by Reference codes.
